Christmas Printable Cupcake Topper Instructions

PRINTABLE TOPPER SUPPLIES

- white card stock paper 8 1/2 x 11
- printer
- toothpicks or treat sticks (ex. Wilton 4 inch treat sticks)
- Glue (tacky glue, hot glue or glue sticks)
- Scissors or 2 inch circle punch

PRINTABLE TOPPER INSTRUCTIONS

Print as many toppers as you need in the design(s) of your choice. (you can use the same design on the front and back or the included backs) Once you have your toppers printed, you will then need to cut them out with scissors or your circle punch). Place one of your toppers face down, so that the blank side is facing you. Put a little glue on the top half-inch or so of your stick Press the glued area of the stick firmly against the back of the topper. Put another topper face down add glue in the center and towards the outer edges. (only a small amount of tacky glue is needed for glue sticks cover the entire circle) Line up this topper with the bottom topper, and gently press down to adhere the circles around the popsicle stick. And you're done!

Super simple and so fun!
